

HOOKED UP
ALE HOUSE & RAW BAR

Dine and Donate

April 30th 5:00pm - 9:00 pm

Coastal Gardeners is partnering with **Hooked Up** to host a Dine & Donate fundraising event.

Join us for Happy Hour or dinner on **Tuesday, April 30th**. Part of the proceeds will go to Coastal Gardeners to support our community-based projects such as the seasonal beautification at the entrances to both the **Beebe South Coastal Emergency Facility**, our school gardening program, **Healthy Food For Healthy Kids at Phillip Showell Elementary School** and **Operation Christmas Cheer** for the Roxana Cheer Center members.

Coastal Gardeners are local volunteers whose mission is to share our enthusiasm for gardening and the outdoors with each other and our community. We support many projects that have deep roots in the nearby community including: planting and maintaining sustainable gardens for local schools, hospitals, and State Parks.
